- Team Real – Design

This year, the award-winning team at RealWheels Corporation “Team REAL” joined forces with luxury sunglass manufacturer, MAUI JIM to create the COOL SHADES Camaro. This sleek, attractive beast is over 700HP worth of powerful American Muscle and was put together using products from some of the best names in the business. Watch for this car at shows and events throughout the next year. Just look for the gins in the COOL SHADES.

## Billet Pedal Set

RW235-1-C (manual)

A huge improvement of the factory pedals. These race-inspired designs provide additional grip and styling.

## Billet Door Sills

RW237-1-C (pair)

Precision-machined from solid blocks of billet aluminum, these attractive door sills are a big improvement over the factory style.

## Billet Shift Knob

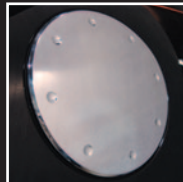

RW223-1-C

Precision machined from solid blocks of billet aluminum, these Shifter Knobs feature rubber rings for sure grip.

## Billet Fuel Door

RW202-1-C

Innovative design features ensure quick, easy installation of this attractive billet design.

## Stainless Rear Side Vents

RW118-1-C

Just one of over a dozen stainless trim accessories that can be installed in seconds.
