

## 2010 Chevy Camaro Accessories

Race-inspired, American-Made  
Billet Aluminum Accessories  
and Stainless Steel Trim

## 2010 World Champion Chicago Blackhawks Chevy Camaro

The award-winning Project Vehicle Team at Gurnee, IL based RealWheels Corporation started with a bright-red, 2010 Chevy Camaro LT2, and in less than two weeks transformed it into this awesome “Blackhawk” Edition performance car. Like the team it represents, this beast is fast, eye-catching, and powerful.

### Custom Billet Accessories

The car features many new products that have just become available for the 2010 Camaro. This includes an assortment of precision-machined, solid billet aluminum parts manufactured by RealWheels Corporation. The custom fuel door is enhanced with a machined Blackhawk logo. Race inspired billet pedals were installed, and a sport-style race shifter was added.

### Stainless Steel Trim Accessories

The team at RealWheels installed their new stainless grille design to provide the car with an aggressive front-end appearance. They added side vent trim and a rear fascia trim piece to provide balance to the design.

**Give your organization the attention and media exposure it deserves!**

Call us today and learn how affordable and effective a promotional vehicle campaign can be. We'll show you how the right themed vehicle will get your organization the attention, media exposure and customer response that it deserves.

**A. S.S. Upper Grille Replacement**

Model: RW100-1-C

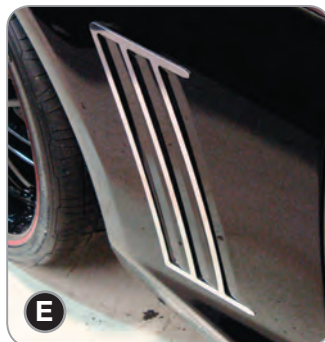

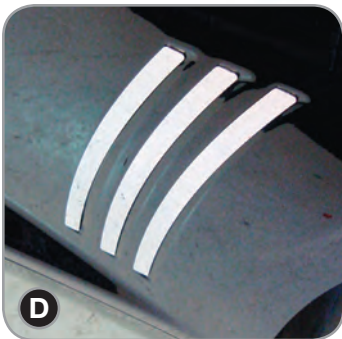

**B. S.S. V8 Lower Grille Replacement**

Model: RW101-1-C

**C. S.S. V6 Lower Grille Replacement**

Model: RW101-2-C

This aggressive Grille kit is a direct replacement to the factory plastic grille and it became an instant hit with America's professional restylers at the huge SEMA show. Created from mirror-finish stainless steel construction, it is guaranteed to NEVER rust or corrode.

**D. S.S. Rear Side Vents**
